RECOVERIES REACH MILLION

Coronavirus Recoveries Reached Million!

Coronavirus recoveries have finally reached a million, which is more than the total cases which are almost 3 million!

This is a very huge achievement! This might also prove that it is possible for the recoveries to overcome the active cases!

Vintro's is cheering you on!

Coronavirus Cases:

3,566,487

[view by country](#)

Deaths:

248,302

Recovered:

1,154,550

[Chart](#)

NOW HIRING: REPORTERS

We are still looking for reporters.

Vintro's is on the lookout for more reporters. The reporters should not worry too much about spelling, since the editors will fix it.

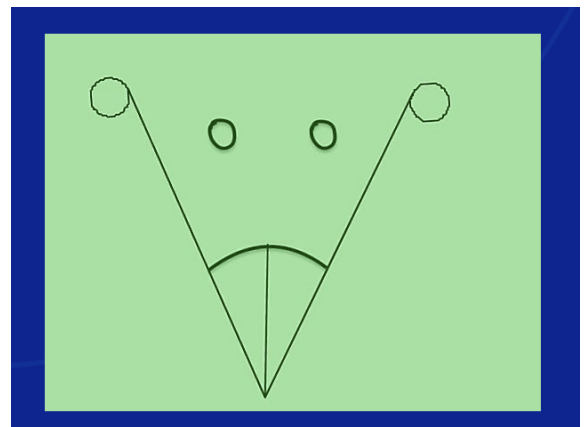

Reporters should be able to have some ability to spell or type. Preferably, the articles should be done online. Reporters are asked but not required to include a picture, maximum 2.

Before being hired, reporters will take an interview.

Here is the place you should email to be hired:

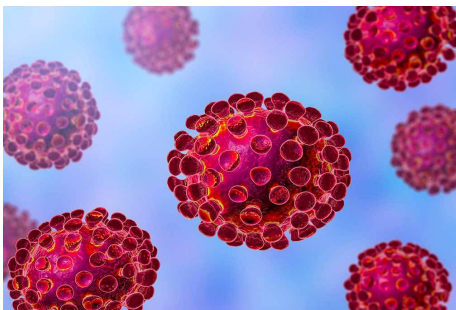

vintro@vintros.net

Thank you for your attention.

CORONAVIRUS KILLING MACHINE DISCOVERED!

A Small Machine Uses UV To Disinfect Virus!

Coronavirus

A machine which uses UV light to disinfect the coronavirus has been made, and has been tested to find out that it only takes 2 minutes to defeat the virus!

The machine is called LightStrike and is used to mostly disinfect masks and have been shipped to over 500 hospitals worldwide!

This means that the fight against the virus is going better and better in our favor!
